

## Resources for Parents

### TYPING:

All Crane students Grades 2-8 are given a logon for the Custom Typing Program. Custom typing is accessible online and allows us to set goals and monitor the students progress:

[www.customtyping.com](http://www.customtyping.com)

Another fun typing program online is Dance Mat Typing. This program is free and does not require an account. Progress is not tracked or saved:

<http://www.bbc.co.uk/schools/typing/>

### CRANE LIBRARY:

Please visit <http://library.craneschool.org> to access the Crane Library Resources.

If your child does not remember their account information, please contact us.
